**events /**  
**MONTREAL**

Downtown Montréal's Bell Centre boasts the biggest hockey arena in North America and one of the most technologically advanced and versatile amphitheatres in the world. Since its inauguration in 1996, this world-class facility has been home to the legendary Montréal Canadiens Hockey Club and is one of the city's leading sports, entertainment and business venues that offers a wide range of top-level services. Its multifunctional structure can be reconfigured in record time thanks to technologically advanced, computer-controlled equipment and the best setup crews in the business.

## Facilities and equipment

Boasting a seating capacity of **21,273 people**, the Bell Centre can be configured into different venues to accommodate all kinds and sizes of shows or sports performances. Whether hosting an intimate, **2,000-seat** opera performance or a major rock concert, the Bell Centre can be adapted to any occasion thanks to a revolutionary curtaining system consisting of floor-to-ceiling black fabric.

Total seat capacity
