Bonjour !

Welcome to Montréal!

We are delighted to welcome visitors back to our beautiful city. Despite two years of an unprecedented pandemic, Montréal has not lost any of its vitality and joie de vivre. The return this summer of some of our biggest events, including the Festival international de Jazz de Montréal and the Formula 1 Canadian Grand Prix, are prime examples!

Whether it's for a short getaway, a business trip or a vacation, our metropolis, which blends European and American flair, has everything to offer.

As the largest French-speaking city in North America, Montréal has a vibrant culture, colourful neighbourhoods, a lively downtown core, diverse local businesses, renowned universities and unique landscapes.

Come and discover our neighbourhood cafés and restaurants, where the art of dining is both celebrated and creative. Enjoy our festivals and welcoming public spaces. Come and meet Montrealers, who have so much to say. Our community is warm, cultured, curious and active.

Dive into all the attractions of Montréal, worthy of our internationally renowned cultural metropolis.

Montréal will surely give you memorable experiences! Enjoy your stay with us!

Valérie Plante
Mayor of Montréal

We are delighted to welcome you back to Montréal!

Tourisme Montréal is thrilled with the magnitude of the tourism, cultural and gastronomic programming that marks this long-awaited major relaunch. You will discover a city that is more alive and vibrant than ever.

A more harmonious, responsible and welcoming destination that seamlessly blends the festive rhythm of local life with the effervescence of the tourism revival. A pioneer in sustainable tourism, Montréal was the first Canadian city to join the Global Destination Sustainability Index (GDS Index). Since then, the attention dedicated to the values that feed this great tourism trend has never ceased to grow.

The pandemic has not deprived Montréal of its appeal. Quite the opposite! Festivals, concerts, public art, galleries, restaurants, sports and the outdoors: you'll easily see why Montréal is one of North America's top destinations, whether you're alone, a couple, a family or just passing through for business.

Tourisme Montréal promises you a memorable experience. Enjoy your visit!

Portrait of Montréal

Montréal is an exciting urban centre with countless things to see and do. In this vibrant and welcoming city, change is always in the air and there's a surprise waiting around every corner.

Tiohtià:ke, the Montréal of the First Nations

Its name comes from its key position in the St. Lawrence River. The island of Montréal was once a strategic trading hub for First Nations peoples, particularly the Atikamekw to the north, the Anishinaabe (Algonquins) to the west, the Kanien'kehà:ka (Mohawks) from the Haudenosaunee Confederacy (Iroquois) to the south. With the present-day communities of Kahnawá:ke on the South Shore and the Kanehsatà:ke territory near Oka, the Kanien'kehà:ka are the First Nations people most closely linked to the island of Montréal, which they called Tiohtià:ke.

The first French colonists were soon followed by the English, Scottish and Irish, then by myriad peoples from around the globe who came to settle on the lush land at the foot of Mount Royal.

Proud of its roots, with its eyes on the future

Today with more than 4 million inhabitants and no less than 120 different nationalities, Montréal boasts a rich and vibrant cultural fabric. The second-largest francophone city in the world after Paris, Montréal has rightly earned its title as a cosmopolitan metropolis. A world leader in many sectors — from aerospace, to information technologies, biotechnologies to video games — the city has also been garnering attention for its innovation in medicine, multimedia, arts and major cultural events. Thanks to its avant-garde outlook, it was named a UNESCO City of Design in 2006.

A young Frenchman by the name of Asseline de Ronval was the first tourist to visit Montréal in 1662.

Nature, culture and good food

Season after season, Montréal satisfies millions of visitors' cravings for culture, nature and excitement. Not only is Montréal recognized for its world-class culinary scene, but its wildly creative artisans and artists continue to bring crowds to its concert halls, designer ateliers, art galleries and pretty boutiques.

A warm and friendly city

Life is good in Montréal, every day of the week. Soak it up with a leisurely stroll along its lively streets and in its vast parks or explore the underground pedestrian network. To get a feel for the city, stop off in its colourful neighbourhoods, where markets, businesses and restaurants are buzzing with locals. Friendly and quite often multilingual Montrealers easily strike up conversations. And it's this innate sense of warmth and hospitality that has made the city renowned as an exhilarating festival destination. Charming, multifaceted and relaxed — is it any wonder so many people fall in love with Montréal?

MONTREAL

Moments in history

Pre-European period

The oldest trace of Indigenous occupation in the area of Old Montréal dates back at least 4,000 years.

Between 1000 and 1535

Several First Nations inhabit the territory.

1535

While exploring the St. Lawrence River, Jacques Cartier discovers an island where cornfields border a village called Hochelaga. Members of the First Nations lead Cartier to the summit of a mountain that he names "Mont Royal", the origin of name "Montréal."

1611

On the island, Champlain clears a tract of land that he names "Place Royale," site of the present-day Pointe-à-Callière Archaeology and History Complex. It is here that Montréal is founded in 1642.

1642

Paul de Chomedey, Sieur de Maisonneuve, and Jeanne Mance found Ville-Marie. However, the settlement gradually becomes known as Montréal and nearly 25 years after its founding, the colony begins to prosper as a military and trading centre.

1701

At Pointe-à-Callière, more than 30 Indigenous nations sign a peace treaty — The Great Peace of Montréal — with the governor of New France, putting an end to the conflicts between the French and the Indigenous Peoples.

1760

War rages on the continent and Montréal falls into the hands of the British. New France, with 60,000 colonists, is officially ceded to Great Britain.

1840 to 1930

Canada's anglophone upper class, representing 70% of the country's wealth at the time, moves into downtown's Golden Square Mile, establishing cultural institutions, elegant stores, mansions and monuments that stretch from McGill University to west of the Montréal Museum of Fine Arts.

1867

Canada becomes a nation with the Dominion of Canada, uniting the British North American colonies and the Province of Canada (Ontario and Québec) through the Confederation Declaration in Charlottetown on July 1, 1867, what is now celebrated as Canada Day.

1930s

During the Great Depression, manufacturing output is halved and over a quarter of workers lose their jobs. Re-elected in 1930, Mayor Camillien Houde offers financial assistance to the unemployed and launches major public works, including the Montréal Botanical Garden, chalets in Mount Royal Park and Parc La Fontaine, viaducts and other infrastructure projects.

1945

The French-speaking community of Montréal starts to make its mark in the arts, sciences and business in a movement that will culminate in the Quiet Revolution, a transformation of Québec society throughout the 1960s. Montréal opens to the world.

1967

From April 27 to October 29, the world came to Montréal for Expo 67, the Universal and International Exhibition, which was the highlight of Canada's centennial celebrations in 1967. Expo 67 was considered the most successful World's Fair of the 20th Century, with over 50 million attendees and 62 countries participating.

1976

Montréal hosts the XXI Olympiad from July 17 to August 1, with over 6,000 athletes from 92 nations. Montréal was the first, and remains the only, Canadian city to have ever hosted the Summer Olympics.

1980s

Montréal's festival scene sees explosive growth with the founding of the Festival International de Jazz de Montréal, Just For Laughs and Les FrancoFolies.

1992

Montréal celebrates the 350th anniversary of its founding with festivities that run from May until October, leaving legacies such as the Pointe-à-Callière Archaeology and History Complex and the Montréal Biodôme.

2006

Montréal is officially designated a UNESCO City of Design, joining the UNESCO Creative Cities Network.

2017 and beyond

In 2017, Montréal celebrates its 375th anniversary, leaving legacies like a coat of arms and flag for the city and the illuminated Jacques Cartier Bridge. Since then, the city continues to renew itself with projects like the redesigned Parc Jean-Drapeau, new public spaces and the makeover of Sainte-Catherine Street.

After a record number of visitors in 2019, Montréal focuses on local tourism given the context of the worldwide pandemic in 2020 and 2021.

Montrealers of the Main – and beyond

Here's a trip through history that gives a peek at some of Montréal's main communities.

When Montrealers talk about the Main, they're talking about Saint-Laurent Boulevard, the city's main north-south thoroughfare (and shopping mecca) that divides the city into east and west. The Main is a street rich in history, and through the years, it's been home to many of the cultures that give Montréal its unique personality.

SHERBROOKE STREET

MONT-ROYAL AVENUE

THE IRISH

Montréal's St. Patrick's Day parade is the oldest in Canada and — technically — the oldest continuously held in North America (every March since 1824). Immigration began in 1815, and by 1900, they formed the second largest cultural group in the city.

THE SCOTTISH

Street names in the city's Golden Square Mile are a veritable who's-who of Scottish families responsible for the city's boom years, from 1840 to 1930.

THE ENGLISH

Montréal surrendered to British forces in 1760 during the Seven Years' War.

Residents of British origin were the majority in the city around 1831, due to large-scale immigration.

THE FIRST NATIONS

Because of its position in the St. Lawrence River — where the Main begins, and after which it's named — Montréal was a place where First Nations had been coming together for millennia.

NOTRE-DAME STREET

THE GREEKS

Montréal first welcomed immigrants from Greece around the end of the 19th century. Many opened businesses and restaurants in various areas of the city, including in Mile End, off the Main.

THE JEWS

Jews from Eastern Europe began to arrive in Montréal at the turn of the 20th century, while many more also arrived from Sephardic countries by the 1950s. Jewish culture is at the heart of the Main.

Mile End

South

North

Villeray

THE HAITIANS

The small Haitian community of 500 in 1967 grew so that by 1978, Haiti was the country with the largest immigrant population in Montréal: 14.7% of all immigrants that year. The influx continues, especially after the country's devastating earthquake of 2010.

Little Italy

THE ITALIANS

On the northern stretch of the Main, Little Italy is still the heart of Italian culture. The first Italian immigrants came in the 19th century, and in 1971, Italian was Montréal's third most-spoken language.

THE LATINOS

The end of the 1950s marked the first boom in Latino immigration to Montréal, featuring mainly students and skilled workers who set down roots in a variety of neighbourhoods, including Villeray, adjacent to the Main.

THE PORTUGUESE

Portuguese immigration began in the 1950s and settled around the lower Plateau section of the Main, where you can still find many famous restaurants today.

Plateau-Mont-Royal

FROM THE MIDDLE EAST

Middle Eastern immigration to Montréal started at the end of the 19th century, leading to the formation of Little Syria, then located on the Main. In the last three decades, many more Arab immigrants have put down roots in Montréal.

THE EASTERN EUROPEANS

Immigrants from Eastern Europe began joining in the Montréal workforce in the 19th century, but the influx really picked up after the Second World War. They established themselves in various areas, including the lower Main.

Downtown

THE CHINESE

Go up the Main from the Old Port, and you'll hit Chinatown. In 1825, the Census listed only one single Montrealer of Chinese descent! By the early 20th century there were over a thousand.

Old Montréal

THE FRENCH

Montréal was founded in 1642 by the French. In the 19th century, French Canadians in search of work poured into the city from rural areas. By 1865 Francophones made up most of the city's population.

SAINT-LAURENT BOULEVARD

Montréal musts for first-time visitors

A first-time visit to any city can be overwhelming — but no more! To simplify your initial Montréal visit, we've compiled a list of crowd-pleasing to-dos and attractions that promise to give you a sense of the city. In no particular order, here are a few absolute must-sees for any first-time visitor to Montréal.

Play by the water in the Old Port

Enjoy the mighty St. Lawrence River from the shores of the Old Port, where you can explore the Grand Quay terminal, the scenic boardwalk and activity-packed piers. Enjoy exhibitions and IMAX® films at the Montréal Science Centre, become a pirate for the day at Voiles en Voiles, ride the zip line, take a river cruise, go ice skating in winter and relax on the beach in summer. Day or night, year-round, view the entire city from the observation wheel, La Grande Roue de Montréal.

Head back in time in Old Montréal

See how the city first began along the cobblestone streets of Old Montréal, with architecture dating back as far as 1685. Watch street performers from a *terrasse* at historic Place Jacques-Cartier before you stop by Notre-Dame Basilica for the stained-glass art and, by night, the incredible multimedia creation *AURA*. After dark, you can also step into chapters of Montréal's history with *Cité Mémoire* projections on building facades all around the neighbourhood.

Roam from the river to the mountain

Starting at the Pointe-à-Callière Archaeology and History Complex in Old Montréal, enjoy a river-to-mountain walk featuring spacious sidewalks, greenery, rest stops and public art. Stroll northward to the foot of Mount Royal, “the mountain” in local parlance. Its park was designed by Frederick Law Olmsted of Central Park fame. Give yourself a breezy two hours to reach the lookout at the top, alone or with a guided tour.

Nearby, visit one of the most popular Catholic pilgrimage sites in the world, Saint Joseph's Oratory. It's a Montréal masterpiece and home to a magnificent Rudolf von Beckerath organ, ranked among the 10 most prestigious in the world. Ride the metro to Côte-des-Neiges station and then climb the famous staircase to the oratory.

Shop along Sainte-Catherine Street

As one of the longest commercial strips in Canada, Sainte-Catherine Street is the perfect place for retail therapy. You'll find street-level shops, a handful of great malls, styles ranging from streetwear to formal wear and international fashion mainstays – but don't miss the local, only-here retailers and pop-up shops.

Bite into iconic Montréal cuisine

To truly taste Montréal, sink your teeth into a juicy smoked meat sandwich, taste our unique wood-fired bagels, sample our notorious poutine and quench your thirst with a locally brewed beer. To explore the full range of regional products, head to one of the city's public markets. Jean-Talon Market, located in the heart of Little Italy, is the largest and most culturally diverse, while the art deco-style Atwater Market is located beside the picturesque Lachine Canal.

Discover Montréal's “underground”

Montréal contains a vast network of pedestrian walkways — 33 km (20 miles) of connecting passageways, to be exact — below street level. Particularly popular in the winter, this network — officially called the RÉSO (“network *en français*”), but known as the “Underground City” — connects offices, trains, restaurants, the city's convention centre, major hotels and a handful of shopping malls!

Reach a new Plateau

The colourful spiral staircases typical of the Plateau-Mont-Royal neighbourhood make for an iconic image of Montréal. Meet the predominantly French-speaking community of artists, students and professionals, with a healthy dose of other cultures and languages. Stroll along Mont-Royal Avenue, and, if it's a sunny day, do as the locals do and grab a picnic to enjoy in peaceful Parc La Fontaine.

Get a dose of local culture

Start by picking up a Passeport MTL to explore museums and galleries aplenty. Next, a public art tour is sure to wow, before you browse through show listings and buy tickets for dance, theatre, opera and circus performances, film screenings and concerts. For what's sure to be a memorable night out, settle into one of Montréal's many live music venues.

Go east for a feast of attractions

Montréal's east side neighbourhood of Hochelaga-Maisonneuve is home to the Olympic Stadium, where visitors can ride to the top of the inclined tower (the tallest in the world) for a bird's eye view of the cityscape. Also in the neighbourhood are the internationally-lauded Space for Life Museums, which include the Montréal Botanical Garden and the Insectarium, the Rio Tinto Alcan Planetarium and the Biodôme.

Gastronomy

Musts

The Montréal bagel is boiled in water, sweetened with honey and cooked in a wood-fired oven, giving it a crisp, golden top. The bagel was introduced to North America by Jewish immigrants from Poland and other Eastern European countries.

Montréal's smoked meat was invented by Aaron Sanft, who was born in Romania. The smoked meat sandwich is piled high with thin slices of succulent meat smoked with a blend of secret spices.

Poutine is a decadent mix of fries, gravy and cheese curds (that squeak when you eat them!).

The icons

Montréal cuisine is a delicious combination of influences that started with Indigenous, British and French origins, but now knows no rules nor boundaries. Chefs across the city transform fresh, locally grown products into creative culinary concepts. An ever-changing whirlwind of flavours has elevated classic Québécois dishes from everyday cooking to surprisingly inventive delights. You won't be disappointed by the aptly named *nouvelle cuisine québécoise*.

- The Jean-Talon Market is open 361 days a year and offers products coming from a 60-kilometre radius of the city.
- The Wilensky's Light Lunch restaurant has not changed much since 1932. Travel back in time and order a "special" — a beef bologna and salami sandwich.
- The Gibeau Orange Julep is a fast food restaurant built in the shape of a giant orange, a nod to the delicious juice it serves.
- The pretty little store Le Petit Dep is the ultimate candy shop of grown-ups and kids alike, with special treats, gourmet products, pastries and all the special touches to sweeten your stay.
- Open since 1968, La Banquise is a go-to spot for poutine in Montréal with over 30 varieties available.
- Hot dogs have been a must since 1912 at Montréal Pool Room, one of the city's institutions.
- La Binerie Mont-Royal, now located on Saint-Denis Street, serves iconic French-Canadian cuisine.

Montréal boasts over 400 BYOW restaurants.

Close to 30 microbreweries have set up shop on the island of Montréal.

30 gourmet festivals and events take place in Montréal each year, including MONTREAL EN LUMIÈRE, the Festival Mondial de la bière, the YUL EAT Festival and MTLàTABLE.

The city has around 67 restaurants per square kilometre in its tourist areas.

Need a pack of gum? **Head to the dep!** That's what Montrealers call corner stores, short for the French word *dépanneur*. Not your average 7-Eleven, most are mom-and-pop shops that sell everything from beer to tea biscuits.

Did you know?

The Montréal bagel travelled in space with astronaut Gregory Chamitoff, all the way to the International Space Station.

Céline Dion is a part owner of Schwartz's smoked meat restaurant.

Nightlife

Never quiet in the day, Montréal becomes supercharged after dark, igniting a fun-loving, welcoming edginess rarely found anywhere else.

Montréal's nightlife isn't limited to one single scene — it features red-hot **nightclubs**, sure, and some of the world's most renowned **electronic music** festivals and events, but there are also twinkly **jazz bars**, crowded film premieres, all-night art events and internationally renowned **fireworks shows**. Wander into one of the many **live music** bars to discover the next **Arcade Fire** or join an organized tour group on a brewery hop. Or how about a late-night dose of history as you watch incredible **light projections** come to life on the building surfaces of Old Montréal? There truly is something for everyone, of every age and every interest. Because when the sun sets, it's only the beginning.

Casino de Montréal

A scintillating playground and destination for a multitude of attractions, only minutes from downtown, the Casino de Montréal delivers entertainment and excitement year-round. At the Cabaret, comedy shows, dance performances, tribute nights and local and international artists are all part of the program.

Montréal's pop-up villages

Colourful riverside bowers, playful green spaces at the heart of downtown, stages for all kinds of shows, playgrounds for activities for the whole family, relaxing areas for happy hour with friends: these pop-up installations bring fun and vitality to city's neighbourhoods. Pick your spot!

Four seasons, four experiences

Montréal is blessed with four seasons of amazing fun, so the true question is not when, but how often to visit. Spring gets things popping with bright flowers, inspirational art and cool gatherings. Summer signals major outdoor fun with thrilling festivals, street-side performances and lively cocktail patios. Fall, for its part, features a bounty of food and culture against the landscape's jaw-dropping colours, while winter wraps the city in a sweet cocoon of twinkling lights, snowy fun and outdoor entertainment.

Spring

Spring in Montréal is a pretty sensational time: with flowers blooming, people pedaling — especially on public-share BIXI bikes — and everyone flocking to sun-kissed outdoor terrasses, the city's vibrant scene plays out in colour, fun and spontaneity. This season, be sure to check out street-side circus acts, fringe performances, outdoor murals, digital arts, and while you're at it, why not try urban sugar shacking?

Summer

Pack your sense of discovery and your sunnies, it's summertime in Montréal! With its feast of festivals that draw international star power in music, comedy, sports and circus, you'll want to take it ALL in. For a deeper dive into the local culture, check out the colourful street art, neighbourhood activities and tasty fare of food trucks. What are the hallmarks of a cool, vibey Montréal summer? When you can dance the day or

night away, lounge on outdoor terrasses, catch some rays on sunny beaches and hang out at the city's many cool seasonal markets and biergartens.

Fall

Fall in Montréal is all about food (scrumptious), foliage (spectacular), fashion (so stylish) and a cultural calendar that's overflowing with choice. Autumn musts include getting front-row seats to hot new premieres in dance, film or symphony, exploring the city's mouth-watering culinary scene and letting your hair down at epic dance parties. For inspiration of a quieter nature, why not steal away to a cozy café, snap pictures of nature's breathtaking palette or indulge in some luxurious spa treatments?

Winter

Let it snow! And... let it *glow*! Montréal's winter charm lies in its luminous layers: streets strung with colourful holiday lights, dazzling outdoor installations and the great, glittering snowscape. Follow the lead of Montrealers and turn frosty into fun by indulging in cheery holiday markets, outdoor parties, world-class dining and conversation-sparking cultural all-nighters. Are you an incurable romantic? Bring your sweetheart for a starlit ice skate, reserve a table at a gourmet restaurant or book some blissful spa pampering.

Montréal murals and urban art

Street art has become an essential visual language in Montréal with a robust scene that draws local and international artists. Their work has not only transformed the visual landscape of the city but has also engaged communities and residents in the creation of new works.

Two annual summer graffiti festivals put the spotlight on this scene. Founded in 1996, the **Under Pressure** festival focuses on community development, artist empowerment and positive youth development. The festival features live painting sessions by Montréal artists along with other events that draw crowds to Quartier Latin every year.

On nearby Saint-Laurent Boulevard, the **MURAL** festival has a mission to democratize urban art. The event closes traffic along central Saint-Laurent Boulevard for three days and invites a select group of local and international artists to paint live. Over 80 large-scale murals and installations have been created since the festival launched in 2012, effectively turning a stroll around the Plateau neighbourhood into an outdoor gallery experience.

In addition to the art created during these festivals, Montréal sponsors public art initiatives and neighbourhood mural commissions to enhance the city. Finally, the not-for-profit organization **MU** has a mission to beautify the city by

creating murals that are anchored in local communities. They have produced several notable pieces in their Tribute to Montréal's Great Artists series, including a beloved homage to Leonard Cohen that can be admired from the Kondiaronk Belvedere on Mount Royal.

A mural celebrating past and future

MU recently collaborated with Tourisme Montréal for the creation of a mural to mark the 100th anniversary of the latter. Expressive and bursting with colour, *Façades: Fenêtres sur ma ville* ("windows on my city") is the work of Chilean-born Montréaler Rafael Sottolichio. Much as Montréal blends cutting-edge modernity with old-world charm, *Façades* pays fitting tribute to both our city's rich history and its bright future. You can admire it peacefully from Square Dorchester.

CITY PASS AND TICKET OFFICE

Montréal Museums Pass

514 845-6873 | museesmontreal.org

The Montréal Museums Pass opens the doors to some 50 museums throughout Greater Montréal. It's available in a digital format for a period of 2, 3, 4 or 5 consecutive days, depending on the package chosen. A family version is also available. MTL Museums invites you to discover Mes balados Montréal Ma muse, a podcast series (available in French only) that takes a look at select neighbourhoods and the links between them and the museums in each community.

Passeport MTL

Ad p. 14

1 844 685-3544 | passeportmtl.com

The Passeport MTL allows you to discover 5 must-visit attractions at a reduced price, and to get extra discounts on admission to other cool attractions

Points of sale: Online, the Tourist Welcome Office in Old Montréal and at some participating hotels.

CANADA POST

800 René-Lévesque Blvd. West
 ☒ Bonaventure | 1 866 607-6301

There are also lots of postal outlets located within other businesses, like pharmacies.

CANADIAN CURRENCY

Canadian currency is the Canadian dollar, which is divided into 100 cents. There are 5, 10, 20, 50 and 100 dollar bills. Smaller coins are 5, 10, and 25 cent pieces as well as of 1 and 2 dollars. Banking and credit cards are also welcome almost everywhere.

CANNABIS

quebec.ca/cannabis

According to the law, you must be at least 21 years old to purchase or consume cannabis (be prepared to show ID if asked). The legislation also includes other measures, such as prohibiting drug use (cannabis or any other drug) in a road vehicle, on an off-road vehicle or on a bicycle.

DRIVING TO MONTRÉAL

It's easy to get to Montréal by car: it's just 75 kilometres (46 miles) from the U.S. Border. Access to the Island is via one of the major bridges — Samuel-de-Champlain, Jacques-Cartier or Victoria — or the Louis-Hippolyte-La Fontaine bridge-tunnel to head downtown. Drivers should note that Montréal is undergoing a major renaissance, with many ongoing construction and infrastructure projects; there will be orange cones and possible detours in different neighbourhoods. The best way to get around once in the city? Walk, use public transit or take a taxi.

Metric system

Québec uses the metric system, so speeds are indicated in kilometres (100 km/h = 62 mph) and gas is sold in litres (1 US gallon = 3 3/4 litres).

Right turn

Although turning right on a red light is authorized across Québec (except at intersections where a sign indicates this is not permitted), rights on reds are strictly prohibited on the island of Montréal.

Cell phone

Use of a hand-held cell phone that does not have a hands-free function is prohibited while driving. Cell phones must be fixed to a mount attached to the vehicle.

Parking

There are many paid parking lots and automatic pay stations.

Electric vehicle

Electric charging stations are available at the following locations:

TAXES

There are two applicable taxes in Québec: a federal Goods and Services Tax (GST) of 5% and a Québec provincial tax (TVQ) of 9.975%. A 3.5% accommodation tax is also in effect in Montréal.

TIPS

It is customary to tip restaurant waiters, taxi drivers and hairdressers 15% of the bill, before taxes. Bellhops, porters, doormen, etc. generally receive at least \$2 per suitcase or per service rendered. Coffee and food counters often have a tip cup next to the cash register; spare change is always appreciated.

Did you know?

More than 100 years promoting Montréal!

Did you know that Tourisme Montréal was founded on October 8, 1919, by the Automobile Club of Canada (which would become CAA-Québec) in partnership with city hotels and the Ville de Montréal, making it one of the oldest tourism bureaus in North America?

Did you know?

Montréal has not one but two giant murals of beloved homegrown artist, poet and performer Leonard Cohen.

Visitors are probably most familiar with the 22-storey mural of Cohen with his hand on his heart downtown on Crescent Street, entitled “Tower of Songs,” created by El Mac and Gene Pendon in 2017. But there is another magnificent mural of the Montréal pop icon in the Plateau neighbourhood near the corner of Saint-Dominique and Napoleon streets, a few steps east of Saint-Laurent Boulevard. The nine-storey untitled mural by Kevin Ledo was also created in 2017 as a tribute to the artist following his passing in November 2016.

Both of these works embody wisdom and compassion of this internationally-acclaimed, larger-than-life Montréal artist.

Downtown

Skyscrapers and Victorian mansions, lovely shops and Gothic Revival churches: downtown is all contrasts and constant bustle.

Between the river and “the mountain,” Mount Royal, downtown is the heart of the metropolis, a concentration of the hectic life of the various communities who live there. People go there to work, study, shop, dance, go to the movies, dine, have a drink or simply stroll. When summer comes, blocks are closed to traffic to make a place for festivalgoers.

 McGill | 514 861-9393 | placevillemarie.com

Inaugurated in 1962, Place Ville Marie, designed by Chinese-American architect Ieoh Ming Pei, forms a vast multifunctional complex that includes five office towers and an upscale shopping centre. It was the first phase of Montréal's underground city that now extends 33 km (20.5 miles) in length. At the foot of this landmark building, the Esplanade Place Ville Marie is a modern cultural and experiential destination designed to enhance the urban experience. This gathering space features an imposing glass pavilion offering access to an epicurean food court and to the underground network, and a grand staircase leading to McGill College Avenue. Nearby, along Robert-Bourassa Boulevard is Gerald Gladstone's impressive fountain and bronze sculpture called *Female Landscape*.

Underground Pedestrian Network

Map p. 177 | ☒ McGill

© ADP/PAPEL

The name “**the Underground City**” refers to the vast network of pedestrian walkways below the city. There are **33 kilometres (20.5 miles)** of connecting passageways beneath downtown, with the métro (subway), commuter trains and buses also converging here.

Approximately **500,000 people** circulate daily on this network, where some **2,000 shops and restaurants, major hotels, museums, theaters and universities** can be found.

The concept began in **1962** with the lower level shopping mall in Place Ville Marie. With the coming of **Expo 67**, Montréal's dream of a métro finally became reality. The underground network went through many stages of development.

Nestled between modern buildings, Christ Church Cathedral figures prominently in the downtown core overtop an underground shopping centre. A fine example of Gothic Revival architecture, it was built between 1857 and 1859, and was one of the first of its kind in Canada. The picturesque cloister garden behind the Cathedral is dedicated to Raoul Wallenberg, Hero of Humanity, who saved thousands of Jews from concentration camps during World War II. Every Saturday at 4 p.m. throughout the year, a free concert is presented in the Cathedral.

Phillips Square

Quartier latin

53 Map p. 85 / Ad p. 71

📍 Berri-UQAM | 514 849-4906 | quartierlatin.ca

Historically, the Quartier latin was the first area in which the Francophone bourgeoisie settled in Montréal at the beginning of the 19th century, and various institutions have followed suit over the years: Théâtre Saint-Denis, Bibliothèque Saint-Sulpice, Université du Québec à Montréal (UQAM), Cégep du Vieux-Montréal, Bibliothèque et Archives nationales du Québec (BANQ), and so on. The neighbourhood's concentration of institutions, the numerous festivals held there, and an effervescent nightlife make the Quartier latin one of the cultural highlights of the city. With its many cafés, restaurants, and bars, the district is also home to a dynamic student campus.

Chinatown dates back to the 1860s when Chinese immigrants came to Canada to work in the mines and on the railroads. They settled mainly along De La Gauchetière Street near Saint-Laurent Boulevard. Today the district designated as the city's first historical site is less residential than commercial but it has kept its Asian flavour. The Chinese community continues to shop and celebrate its traditional festivals and holidays here. The narrow streets are lined with shops selling exotic foods, traditional crafts, martial arts accessories, herbs, and natural medicines. Acupuncture and Asian medical services can also be found here. In the summertime, a celebration of food and culture, The Asian Night Market, is taking place at Place des souhairs.

Montréal: Student city

Each year, about 320,000 students (including 50,000 international students from 150 countries) become part of the fabric of Montréal, adding their energy and talent to the vibrant mix of the metropolis. The four main universities — two English and two French — are located right downtown, close to metro stations, making it easy for students to get around.

Widely regarded as the top student city in North America, Montréal attracts students from around the world with its warm welcome, safety and cultural diversity.

The city's appeal also lies in the quality of the programs offered, low tuition fees (the lowest on the continent) and the many job opportunities available once studies are completed. It's also an ideal place for young entrepreneurs. No wonder Montréal ranks at the top of the list of North American student cities.

Did you know?

Montréal is a leader in “green desking,” a movement that combines coworking and outdoor working spaces.

At the forefront of the green desking revolution is Îlot 84, an organization that has been offering Montrealers dynamic and green working spaces at the heart of the city since 2017. With over 30 free working stations, collaborative outdoor spaces, but also festive gatherings and networking events (Aire Commune), the project aims to encourage creativity, synergy and collaboration, and to define new and innovative ways of working.

MONTREAL

Old Montréal and Old Port

The city's historic district, which has been reinventing itself for nearly 400 years, includes its oldest and most recent tourist attractions.

In Old Montréal, history is present on every street corner. Cobblestone streets lined with historic buildings house art galleries, craft workshops, fashion boutiques, restaurants and cafés.

In the Old Port, residents and visitors love to walk along its recreational paths to engage in activities offered year round, while enjoying a splendid view of the city and the St. Lawrence River.

ITINERARY A

East of Old Montréal

City Hall

79 Map p. 90

275 Notre-Dame Street East | 📍 Champ-de-Mars
514 872-0077 | ville.montreal.qc.ca

The building went up between 1872 and 1878, and survived a severe fire in 1922. And it was from this balcony that French President General de Gaulle uttered his famous "Vive le Québec libre!" (Long live free Québec) during a state visit in 1967. Nearby, inaugurated in 1856, the old courthouse subscribed to the very sober neoclassical tradition typical of the first half of the 19th century. The 1925 version (Ernest-Cormier building) featured a return to classic simplicity and the new one (1 Notre-Dame Street) deals with criminal matters. At the back of City Hall, Champ-de-Mars offers a superb view of downtown Montréal and fascinating historical remains. Currently closed for renovations.

Place Jacques-Cartier and Place De La Dauversière

80 Map p. 90

Old Montréal | 📍 Champ-de-Mars | vieuxmontreal.ca

The gentle slope down from the Nelson monument affords a superb view of the Old Port. Built in 1804, Place Jacques-Cartier was used as a public market for many years. It now draws passers-by and visitors who enjoy street artists. Facing City Hall, Place De La Dauversière is a magnificent public garden.

Marché Bonsecours

81 Map p. 90

350 Saint-Paul Street East | 📍 Champ-de-Mars
marchebonsecours.com

The Marché Bonsecours was inaugurated in 1847. A symbol of Montréal's heyday, this imposing building was the city's main agricultural marketplace for over a century. It also housed a concert hall and even served as a city hall. It features now sidewalk cafés, Québec artisans shops and exhibitions.

Marguerite Bourgeys Historic Site

82 Map p. 90

400 Saint-Paul Street East | 📍 Champ-de-Mars
514 282-8670 | margueritebourgeys.org

Montréal's oldest chapel, also known as the Sailors' Church, is a captivating history museum. Feel a special connection with the past by visiting the 18th-century stone crypt, and climb the tower to admire the spectacular views. The archaeological site reveals over 2,400 years of history. Discover the chapel and museum through a downloadable audio guide.

Pierre du Calvet House

83 Map p. 90

401 Bonsecours Street | 📍 Champ-de-Mars
old.montreal.qc.ca

Built in the 18th century, this house is one of the most beautiful examples of the urban architecture developed in New France. Particularly striking are its massive crude rock walls, chimneys and steeply-sloped roof. Pierre du Calvet, its illustrious occupant, was a supporter of the American Revolution and held meetings with Benjamin Franklin, an envoy sent abroad by George Washington in 1775-1776.

Sir George-Etienne Cartier National Historic Site

84 Map p. 90 / Ad p. 101

🚶 📶 🚰 📺 🚶 \$4

Discover the only Victorian interior open to the public in Montréal. Meticulously restored according to the tastes and customs of the Montréal bourgeoisie around 1860, the Historic Site commemorates the life and work of this renowned politician, Father of Confederation.

Gare Viger

85 Map p. 90

700 Saint-Antoine Street East | 📍 Champ-de-Mars
vieux.montreal.qc.ca

Viger Station was the terminus of the Canadian Pacific Railway's network. The château style station, and hotel of the same name, was completed in 1897 and built according to the traditional layout of all British railway hotels, in which trains would arrive directly in the hotel lobby to maximize convenience for travellers. It is the only site in North America with three train stations of historical significance still standing fully intact. This rich architectural site is currently under development as a mixed-use structure, already home to offices and a restaurant.

Château Ramezay – Historic Site and Museum of Montréal

86 Map p. 90

280 Notre-Dame Street East | 📍 Champ-de-Mars

🚶 📶 🚰 📺 🚶 \$12

The Château invites you to relive more than 500 years of history, from the pre-contact Indigenous era to the 20th century. The Château exhibits its collections in a variety of ways, intermingled with multimedia portrayals of historical figures recounting, in six languages, highlights of their lives at the manor. The site includes the Governor's Garden, a typically delightful 18th-century urban retreat.

📍 Place-d'Armes | vieuxmontreal.ca/en/business/cours-le-royer-2

Many large buildings-warehouse-stores erected in the 1860s and 70s eloquently attest to the commercial vitality of the area during the city's industrialization. The stores built at that time, at the former Hôtel-Dieu site, are a striking example of technological innovation combined with refined architectural style. It is the first major example of contemporary reuse of an ancient commercial sector. Today, the buildings serve as offices, businesses and residences.

A masterpiece of Gothic Revival architecture, Notre-Dame Basilica was built between 1824 and 1829. The magnificent interior in wood and the boldly modern design of the Notre-Dame-du-Sacré-Coeur Chapel, captivate hundreds of thousands of visitors each year. Paintings, sculptures and stained-glass windows illustrate biblical passages as well as 350 years of parish history. To learn more about the Basilica, take part in a self-guided tour where you will be invited to explore 24 points of interest. After your tour, stay for AURA, an immersive light and sound show experience.

The surrounding buildings are remarkable mementos of all the major milestones in the city's history. Since 1895, a statue of Paul de Chomedey, "Sieur de Maisonneuve," the founder of Montréal, stands in the centre. Nearby is the city's oldest building, the "Vieux Séminaire" (130 Notre-Dame Street West), erected between 1684 and 1687, by the Messrs of Saint-Sulpice who ran the Notre-Dame parish and were "seigneurs" of the island of Montréal for nearly two centuries. The Bank of Montréal (119 Saint-Jacques Street West), founded in 1817, is the oldest banking institution in Canada and houses a museum open to the public.

Did you know?

**Jeanne Mance,
an icon of Montréal**

After almost three centuries in the shadow of Paul de Chomedey, Sieur de Maisonneuve, long regarded as the sole founder in the city, Jeanne Mance was recognized as co-founder of Montréal in 2012.

Jeanne Mance played a major role in establishing the city in 1642. Upon her arrival, she established and ran the Hôtel-Dieu Hospital, demonstrating great courage and devotion.

A statue of Jeanne Mance, now an iconic historical figure for the city, has a place of honour on the Maisonneuve Monument in Place d'Armes in Old Montréal. Another statue, the Jeanne Mance Monument across from Hôtel-Dieu Hospital on Pine Avenue, pays tribute to this extraordinary woman.

Parc Jean-Drapeau

Map p. 87

In the middle of the St. Lawrence River, Parc Jean-Drapeau, developed on Île Sainte-Hélène and Île Notre-Dame, offers a multitude of attractions and activities.

Its versatile trails, including 25 km of bicycle paths, offer magnificent panoramic views of the river and downtown. Fifteen public artworks of great value — including Calder's immense stabile, *Man* — are exhibited there permanently. In every season, the park hosts many music festivals, a fireworks competition, international sports events and popular festivals. Parc Jean-Drapeau is also home to the Casino de Montréal, which was built into the former France and Québec pavilions from Expo 67. Quite the architectural legacy!

Mount Royal and Outremont

Map p. 88

Every stay in Montréal should include a stroll on Mount Royal, a jewel of greenery in the heart of the city.

Mount Royal owes its name to Jacques Cartier who christened it in 1535. The mountain is the meeting place for nature lovers, amateur ornithologists and sports enthusiasts of all ages. Crisscrossed by trails and topped with lookouts, which offer breathtaking views of the city, its slopes accommodate the campuses of two universities, two immense cemeteries and Saint Joseph's Oratory. And down below, two upscale neighbourhoods, Outremont and Westmount, with lush green streets, opulent houses, and beautiful boutiques.

121 Map p. 88

From East, via Camillien-Houde Parkway | From West, via Remembrance Road | 📍 Mont-Royal + 🚗 11 514 843-8240 | lemontroyal.qc.ca

Inaugurated in 1876, the Mount Royal Park was designed by Frederick Law Olmsted, the highly skilled designer behind New York's Central Park. It is an ideal site for admiring a wide variety of plants and birds or for enjoying outdoor activities. Les amis de la montagne offer a variety of services and activities that provide wonderful opportunities to discover the beauty and wealth of resources that the park has to offer, including a permanent exhibition at Smith House. Mount Royal Chalet was inaugurated in 1932. The walls of its spacious interior are decorated with pictures tracing the history of Montréal, including many painted by famous artists. The Kondiaronk scenic lookout in front of the Chalet offers a striking view of the downtown area and the St. Lawrence River. Erected in 1924, the cross atop Mount Royal commemorates January 6, 1643, when Maisonneuve, Montréal's founder, kept his promise to carry a wooden cross to the summit of Mount Royal if the young colony survived flooding. Today, the cross stands 30 metres (98 feet) high and when lit, can be seen from miles away.

Built in 1858, this example of neoclassical rural architecture was once the home of a wealthy merchant and businessman. At the time, Mount Royal was indeed an oasis of freshness and tranquility sought by the bourgeois who wanted to get away from the polluted and overcrowded St. Lawrence bank. Today, in addition to offering welcome services, such as visitor information, a café, a gift shop and a permanent exhibition that highlights the history of this iconic natural landmark, Smith House is home to Les amis de la montagne, a non-profit organization that protects, improves and promotes the sustainability of Montréal's Mount Royal.

Montréal's fascinating neighbourhoods

- Since 1997, Montréal has converted dozens of its back alleys into greenspaces. Initiated by volunteer citizens, the “Ruelles vertes” project helps residents make over Montréal's laneways and improve the quality of urban life.

- Montréal is considered the official balcony capital, with more than one and a half million balconies. Fun fact: 71% of metropolitan area residents have at least one!

- One of the most common building materials used for Montréal houses is a limestone known as “Montréal Greystone.” It was extracted from local limestone quarries, which have now become some of the city's beloved neighbourhood parks: Laurier, Marquette and Maisonneuve.

- The outer staircases that grace many Montréal homes are one of the city's distinctive features and can be found in all different shapes and sizes — L- and S-shaped, straight, single and double. This architectural feature emerged in the mid-19th century, when the construction of two- and three-storey dwellings began in order to accommodate a growing population. Builders soon realized that having common stairways outside made the homes more

heat efficient. They were able to take advantage of new municipal regulations requiring the conservation of a small green space in front of homes, which provided space for the external staircases.

- In 1905, Saint-Laurent Street officially became Saint-Laurent Boulevard, affectionately nicknamed “The Main.”

- As the city's central East-West dividing line, The Main became the starting point for municipal addresses extending outward from the boulevard. In 1924, addresses along the North-South axis were renumbered, starting at the southernmost point, the St. Lawrence River.

- July 1 is also known among Montréal residents as “Moving Day.” Each year, 100,000 Montréal households move on this day. This July 1 tradition most likely comes to us from Scottish settlers, who brought with them the tradition of a fixed date (May 1) for “breaking” their lease in order to find a new home. Eventually the date changed to July 1 to avoid disrupting the school year.

- Montréal is home to the Canadian Centre for Architecture, whose purpose is to promote public awareness about the role architecture plays in society. The CCA also promotes scholarly architectural research and fosters innovative design practices.

Olympic District and Hochelaga-Maisonneuve

Map p. 92

Nature museums, Olympic Park, green alleys, cafés and bistros provide the atypical charm of this Montréal district.

Originally a Francophone working-class neighbourhood, Hochelaga-Maisonneuve never stops reinventing itself and diversifying, without losing its identity. The place maintains its welcoming atmosphere and the present lives side by side with the past, still visible in its revamped warehouses and factories, its imposing churches and its lovely market. Just north of Hochelaga-Maisonneuve is the residential borough of Rosemont, equally quaint and genuine, with an impressive share of urban villages, each with its own winning personality. With its four museums devoted to nature, its green spaces and its must-see Olympic Park, the Olympic District is just waiting to be explored.

A visit to the Château Dufresne is a voyage into the private world of a middle-class francophone family from the early 20th century, that of the brothers Oscar and Marius Dufresne. The domestic interiors of the two separate houses they lived in reflect the appeal of monumental architecture in the Beaux-Arts style, as well as a taste for opulence and the latest styles. There, too, you will find the secular masterpieces of the Italian-born artist Guido Nincheri along with interior decoration and painted furniture by the Belgian painter Alfred Faniel.

Historically a thriving industrial municipality and a largely francophone working-class neighbourhood, Hochelaga-Maisonneuve is where real life happens: people getting on with their day-to-day, going to work, to the market, to school, to the park...it's a lively urban village with a friendly, small-town feel. From recycled factories to beautiful churches to striking institutional buildings, such as the Maisonneuve Library, the Morgan Bath and the Maisonneuve Market, to name a few, the borough's architectural landscape tells a tale of transformation and evolution. Hochelaga-Maisonneuve now offers an eclectic mix of small local businesses. There's always something new to discover, with a wealth of new restaurants, cafés, local artisans, designers and socially-responsible boutiques ever-adding to the neighbourhood's allure. In summer, Ontario and Sainte-Catherine Street East transform into a festive outdoor venue: streets are closed off to traffic, patios are buzzing, sidewalk sales abound and people just come out to experience the Hochelaga-Maisonneuve summertime vibe.

The Village

The Village, one of the most important gay districts in North America, is a crossroads of diversity.

Its greatest success is probably the mixing up of a flavourful urban cocktail bringing together the LGBTQ+ and straight communities. Its bustling nightlife and fine cuisine, as well as its comfortable bed-and-breakfasts in century-old houses, antique and specialty shops, enchant everyone. With Sainte-Catherine Street as its main artery, The Village extends from east to west round the Beaudry métro station, wearing the rainbow colours of the gay community.

The neighbourhood features a wide variety of service industries including cafés, boutiques, antique shops and restaurants for every palate. To really get a feel for the place, take a stroll along the narrow, winding, side streets, particularly Lartigue Street, and admire the carefully restored brick homes and shaded backyard gardens.

Stroll along Atateken Street and visit the antique shops that specialize in objects from the 1930s to the 1970s while the Art Deco architecture of the impressive Saint-Jacques Market building and the Écomusée du fier monde are worthy of admiration.

During the summer season, Sainte-Catherine Street turns into a lively pedestrian zone. But the LGBTQ+ Village hums all year long. Lounges, bars, boîtes, afterhours clubs and drag queens are all part of the Village entertainment scene.

Little Italy and Villeray

Around the Jean-Talon Market, people take life easy, like *la dolce vita*.

Villeray and Little Italy developed at the end of the 19th century, driven by industrialization and the arrival of the streetcar.

Ristorante, trattorie, pasticcerie, caffè: you are in the heart of *Piccola Italia*, or Little Italy, which earned this name after a large wave of Italian immigration. Villeray stands out for its cultural diversity and its typically Montréal residential architecture.

To appreciate this gourmet paradise, go shopping in the market, have a little cup of espresso in a café and a tasty meal — plan for a full day.

Cradle of jazz music in the 1920s.

Between the end of the 19th century and the beginning of the 20th century, Little Burgundy, known in French as La Petite-Bourgogne, has long been hailed as the “Harlem of the North.” The neighbourhood welcomed new arrivals from African-Canadian communities in Ontario and the Maritimes.

During Prohibition, many American musicians came to perform in the jazz clubs of Little Burgundy, since Montréal was more open and tolerant of dance, music and alcohol than its neighbour to the south.

Several internationally recognized artists, like **Oscar Peterson and Oliver Jones**, grew up in this neighbourhood.

The island of Montréal's iconic bridges

The Victoria Bridge

The first bridge to span the St. Lawrence River and the longest railway bridge in the world at the time, the Victoria Bridge, completed in 1859, represented an engineering feat that was hailed as “Eighth Wonder of the World”.

Connecting the island of Montréal to the South Shore, the bridge was gradually modified to adjust to the changing realities of transportation. A tram line was installed in 1901 and, in 1927, the side sections were widened to allow for automobile traffic.

The Jacques Cartier Bridge

Inaugurated as the Harbour Bridge in 1931, this link between Longueuil and Montréal was rebaptized the Jacques Cartier Bridge three years later in honour of the French explorer and cartographer, and first European to map the St. Lawrence River.

The world's first “connected” bridge, Jacques Cartier Bridge lights up every night with flashes of colour over the St. Lawrence River. An iconic landmark during the day, it livens up at sundown and reflects the mood and events of the day until dawn.

The Samuel De Champlain Bridge

Named in honour of Samuel De Champlain, French explorer and navigator, the Champlain Bridge opened to traffic in 1962. Due to increased traffic and its subsequent wear and tear, a new bridge was built to replace it. The Samuel De Champlain Bridge opened to traffic in 2019.

Majestically spanning the St. Lawrence River, its sleek, elegant lines and outstanding architectural quality affords a distinctive visual identity that enhances the Montréal landscape. Similarly to the Jacques Cartier Bridge, the Samuel De Champlain Bridge lights up on special occasions.

Once a centre of the fur trade, Le Pôle des Rapides lends itself to boating in all its forms. The most daring can offer themselves the total experience and confront the impetuous rapids, aboard a super powerful jetboat or on a rafting excursion. The shores of the St. Lawrence River are also a refuge for migratory birds. Sports and nature lovers, take note. Filled with a vibrant community spirit, the sympathetic Verdun district, with its typical spiral staircase houses, dynamic shops and lively cafés and restaurants will charm you.
